PINE HILL PERFORMANCE HORSES

pinehillperformancehorses@gmail.com

Linda and the team at Pine Hill Performance Horses are focused on producing well- bred reining and performance horses that tick all the boxes .
Linda has focused on sourcing top quality broodmares - all with great imported bloodlines - as the basis of her stud. And the results speak for themselves!
These beautiful mares are being bred to some of the world's best available reining stallions via imported semen, imported stallions and well performed Australian bred horses. With Pine Hill's first foals from the 2025 season already showing ideal conformation & great temperaments, Linda is truly excited about the foals now due in the Spring of 2026!
